WORK EXPERIENCE

Intimetec

Software Engineer

March, 2023 - Present

- Executed comprehensive code refactoring strategies that included React component optimization, leading to a reduction in load times, which directly **improved user engagement** and satisfaction.
- Optimized front-end for Manufacturing Management System (MMS), resulting in increase in user engagement and **faster load** times.
- Collaborating with a team of 15+ developers to make application best to use.
- Translated client requirements into interactive UIs, delivering Proofs of Concept (POCs) to demonstrate potential solutions using React and Javascript.
- Developed a recommendation engine, delivering personalized meal suggestions based on **user preferences** and consumption patterns to enhance user satisfaction.
- Led the migration of one legacy codebases feature improving maintainability and code quality.

Trainee

Jan, 2023 - Feb, 2023

- Developed dynamic front-end applications, including e-commerce platforms, using HTML, CSS, JavaScript, and React.
- Practical experience with backend technologies like Node.js and Express.js to enhance full-stack development skills.

Let's Grow More

Internship

Aug, 2022 - Sep, 2022

- A virtual internship, creating static websites and acquiring fundamental front-end skills.

SKILLS

- **Frontend Development:** HTML, CSS, Tailwind, JavaScript, TypeScript, React.js, ColdFusion
- **Databases:** SQL, MongoDB
- **Tools:** Git, VSCode, Vercel
- **Foundational Knowledge:** Node.js, Express.js, Angular, Bootstrap

PROJECT

Netflix & YouTube Clone [🔗](#)

- Built Netflix and YouTube clones using React, JavaScript, and APIs (TMDB, YouTube), featuring advanced search, language localization, dynamic content, caching, and simulated live chat with nested comments for an interactive user experience.

DevTinder [🔗](#)

- Developed a MERN stack application enabling connections and real-time chat for developers, similar to Tinder, to have professional networking and collaboration.

EDUCATION

Swami Keshvanand Institute Of Technology, Jaipur

Bachelor Of Technology (Compute Science) - 8.9

Aug, 2019 - June, 2023

Emmanuel Seniour Secondary School, Bundi

Higher Secondary - 82

July, 2018 - March, 2019
